

Bed or Bet?

作詞・作曲 : Arata Mineshima

Tick tock, it's almost zero hour,
September's child, glowing with power.
誰もが集まる party line,
Noeri's night about to shine.
Should she chase dreams in seven layers deep,
Or gamble at life till no one sleeps?
ろうそく flicker, dice を shake,
運命は bed か、bet を make?

Bed or bet? It's up to you.
夢を見るの? Wake up to something new.
Friends are calling,「起きて!」they say,
Will you rest now or will you play?
Glitter and cards light up the air,
誕生日の夜、magic everywhere.
Bed or bet? One wish to set,
のえりが決める her best night yet!

パジャマふわふわ tempt her slow,
Yet laughter outside steals the show.
音楽 booming, hearts in sync,
カラフルなカクテル clink.
Wake, Noeri, the dice still roll,
欲しいもの get, take control.
世界が turning in birthday's light,
Yeah, bet on dreams, or say good night?

Bed or bet? It's up to you.
夢を見るの? Wake up to something new.
Friends are calling,「起きて!」they say,
Will you rest now or will you play?
Glitter and cards light up the air,
誕生日の夜、magic everywhere.

Bed or bet? One wish to set,
のえりが決める her best night yet!

溢れる声、"あと少しだけ！"
Whispering, "Don't fade away."
背中押すハッピーミステリー,
Win or lose, it's her story.
At midnight split, she laughs both ways,
今日しかない, these birthday days.

Bed or bet? It's up to you.
夢を見るの？ Wake up to something new.
Friends are calling,「起きて！」they say,
Will you rest now or will you play?
Glitter and cards light up the air,
誕生日の夜、magic everywhere.
Bed or bet? One wish to set,
のえりが決める her best night yet!

Lights go down or fade to game,
どちらを選んでも, never the same.
September echoes, no regrets
Good night or party,
Bed or bet.
