

ハヤ・ミザ

作詞・作曲 : Arata Mineshima

In the gallery light, December's chill,
Gently it wraps around you still,
笑顔、ひかるキャンパスの向こう,
You laugh, framed pure on wintry snow.
Soft cheeks painted in a secret sigh,
Hidden stories shimmering in your eyes,
似てるね、これはハヤ・ミザ,
Shake off winter let your colors fly.

Happy Birthday, Hayami,
Mysterious beauty we see,
輝いてる、君のアートストーリー,
Like Mona Lisa smiles for me.
静かなる 微笑みが,
Every December, you bloom like a star,
Birthday lights reveal who you are.

Echoes of laughter drift through the walls,
夢みてるの？ ささやき合図,
Layers of wonder as evening falls,
Silent symphony, あなたと共に.
Palette of wishes, blues and gold,
さみしい冬を溶かして,
A masterpiece in birthday folds,
ひとつ年を重ねても、美しさ溢れて.

Happy Birthday, Hayami,
Secret smile we chase and see,
感じてるよ、運命の一ページ,
Like Mona Lisa, forever free.
静けさに咲く開花,
Every December, you light up the sky,
Painting joy, never asking why.

時は流れるけど,
君の笑顔は timeless,
Silent wisdom, whispered pride,
Wrapped in shadows, you're always the brightest.
Across the seasons, 12 月光る,
Birthday wishes floating higher.

Happy Birthday, Hayami,
New year, same mystery,
深まる微笑み、その芸術の History,
Like Mona Lisa, with destiny.
願いごと風に運ばれて,
Every December, together we find,
The art you paint with a beautiful mind.

So celebrate now, under wintry hue,
笑顔で未来描いて,
ハヤ・ミザとなる、新たな章,
Happy birthday, dear Hayami
What a masterpiece you are.
