

Twinkle Time

作詞・作曲 : Arata Mineshima

Today's the day the stars all shine,
A sparkle in the sky so fine,
Noeri's smile lights up the night,
Happy Birthday, pure delight.

Twinkle, twinkle, shining bright,
Happy Birthday, Noeri's night,
Hearts are dancing, dreams take flight,
It's your time to shine tonight!

Candles glowing, wishes bright,
Noeri's laughter feels so right,
Hand in hand, we celebrate,
Happy Birthday, can't wait!

Twinkle, twinkle, shining bright,
Happy Birthday, Noeri's night,
Hearts are dancing, dreams take flight,
It's your time to shine tonight!

Twinkle, twinkle, heart's delight,
Noeri shines through moonlit night,
With you here, the world's so bright,
Happy Birthday, Twinkle Time!

Shine your light, don't hide away,
Celebrate your shining day,
Magic's here, come join the rhyme,
Forever yours, Twinkle Time!
